

Dearest Nosomany

Dearest Nobody,
Why feel the need to yell
about a past you were never a part of
tell me how you can understand
people you've never seen
I want to understand you

Dearest Somebody,
Will you listen to me
my ramblings and my cries
for reasons unknown
except to mine eyes
will you let me know
your opinions
and not agree just for
the hell of it?

Dearest Anybody,
I'm so cold
won't you comfort me
can't you see
how much I need you
your presence and
sense of character

Won't anyone listen to me
just have the decency to write
I'm drowning and no one cares
I'm screaming and everyone laughs
can't you see I'm dying here?
